#### NEW THINGS FOR NEXT YEAR

The new officers have been doing a lot of thinking about how to make Jenks Key Club the best club on campus. One idea that seems definite for next year is the implementation of food at the monthly general meetings. So if the bountiful information and the mesmerizing beauty of the officers and board is not enough to sate your appetite, then maybe some cookies can. They are also working on a way to allow members to turn in their hours online, which is pretty amazing!

Also, since everyone likes to hang out and have fun, the officers want to increase the number of club socials. Look out for all these new things next year!

#### DO THEY KNOW WHAT THEY ARE DOING?

The new officers are pumped and ready for next year. They all attended the District Convention with their predecessors and learned all about the responsibilities of their positions. They are currently reviewing applicants for next year's board.

Key Club is to high school as  
bacon is to a burger.  
Some people aren't fans,  
but for those who are,  
bacon means  
everything.

# RECENT EVENTS

## DISTRICT CONVENTION (4/4-4/7)

Every year our club competes at the district level with clubs from all over Texas and Oklahoma. As everyone who has heard of Jenks knows, we have a tendency to be competitive, so this convention was a perfect place to release some of that pent up superiority. Out of hundreds of clubs, Jenks came in 21<sup>st</sup> place for overall club, we were a finalist for the governor's project (Trojan Kindness), we obtained second place for the club poster that Maria Nadeem and Megan Cheng created, our website was distinguished thanks to Max Short, and our very own Maria Nadeem was named Leader of Leaders and given a scholarship. It was a great weekend full of winning.
