Servicing our community and giving of ourselves is what this organization thrives to accomplish each and every day. Change is in the air as another year approaches and accordingly our genius officers have made some changes within the club. This year Jenks Key Club has devised a new way of keeping track of member hours called the "point system". Every member is required to obtain **12 points each month**. Points will be awarded as follows:

- ✓ **2 points** will be given for every hour of service worked.
- ✓ **1 point** will be given for attendance at a meeting.
- ✓ **1 point** will also be given for each donation made to the club.

With this new system, we will be tracking your points in the three separate categories of **service, meetings, and donations!!!**
