Get excited, you can get lots of points from this event. Leadership classes and the Key Club at Jenks are responsible for this event; so if you're in Key Club, get a move on and donate!

If you're in the Monetary Donation Crowd

Where to drop off your donations

There are donation boxes everywhere! If you don't see one in front of you, turn around, and BAM! A box! Not really, we don't have boxes everywhere, but they are rather common. The wonderful people of Key Club have toiled numerous hours convincing storeowners, hobos, and principals to permit boxes in their places of business. To name a few:

Just about every Jenks campus, Starbucks (across from Kohls), Dollar store, Jenks United Methodist Church, Sarah's Tailor Shop, Quiktrip, and Reasors
